SureColor SC-T5700DM (With SSD & PostScript)

SureColor SC-T5700DM (With SSD & PostScript)

Best for graphics producers who need scratch-resistant, colour-consistent output across diverse substrates.

The T5700DM uses a fully integrated 36-inch Dual light CIS scanner to support and enhance business productivity. High speed, premuim quality Print and Copy enlargement and advanced Scan capabilities will support business requirements.

Simple user experience.

Simplified scanning workflows, easy-to-feed documents and selectable scan to locations, including encrypted network folders and encrypted 960GB SSD. Enhanced IT features.

Includes more than 27 security features including; IPSec, 802.1x, SNMPv3, SSL/TLS and more, NFC and admin lock.

Highly detailed prints, every time.

The T5700DM combines the high qualilty printing and speeds of the T5700D (with Post.

Script) with the new Epson CIS Dual light scanner. This powerful combination gives improved printed image quality even if the scanned original was wrinkled and creased.

DATASHEET / BROCHURE
