WorkForce Enterprise AM-C10000

DATASHEET / BROCHURE

WorkForce Enterprise AM-C10000

Best for large offices and enterprise teams that need high-reliability colour printing with Heat-Free Technology.

The Epson WorkForce Enterprise AM-C10000 is a high-performance colour business MFP powered by Heat-Free Technology. Low power consumption, high reliability and minimal intervention reduce total cost of ownership.

Heat-Free Technology
Epson's Heat-Free inkjet technology requires no heat in the ink ejection process, delivering lower power consumption, fewer replacement parts and a faster first page out time compared to laser alternatives.

Low intervention
High-yield ink supply reduces the frequency of consumable replacements, keeping user intervention to a minimum and maximising uptime in busy enterprise environments.

KEY FEATURES

- **High-speed enterprise output**
  Delivers rapid document turnaround for demanding enterprise environments
- **Heat-Free Technology**
  Epson's Heat-Free Technology reduces energy consumption and delivers a fast FPOT
- **Low total cost of ownership**
  High ink yields and fewer replacement parts reduce TCO and user intervention
- **Seamless integration**
  Compatible with a wide range of Epson and third-party solutions
