

KEY FEATURES

EH-QL7000W

Super-size imaging technology, perfect for movies, streaming, gaming, sports viewing, home simulators and more

3LCD laser source; 10,000lm; 4K (8.3m pixel) super-resolution; high-quality, vibrant, and expansive images

Includes 4K frame interpolation, HDR10, scene-adaptive gamma correction and Dynamic Tone Mapping, plus 4K/120Hz and Auto Low Latency Mode

Compatible with a wide range of long and short-throw lenses to provide optimum image size and quality in almost any media space

Light, compact and flexible, seamless integration with leading AV control systems means easy maintenance, customisation and scalability

Best for home simulators and expansive home cinema. 4K 3LCD laser projector with 10,000 lumens and interchangeable lens support

Whether you're into movies, gaming or sport simulation, you'll love this incredible new projector from Epson. Using a range of advanced technologies to provide stunning-quality, ultra-bright images up to 1,000", it delivers an amazingly immersive and engaging experience in any room, from dedicated media spaces to well-lit living areas. With advanced 3LCD laser technology at its core, the EH-QL7000W delivers 4K super-resolution images (3840 x 2160). With a 5,000,000:1 dynamic contrast ratio for well-defined shadows and even deeper blacks, this Professional Home projector also features a range of advanced image enhancement technologies, such as 4K frame interpolation to ensure smooth images, and super resolution to preserve detail in every scene. With advanced features such as Dynamic Tone Mapping to enhance visual quality on a frame-by-frame basis, and HDR10 for more vivid and lifelike colours, the EH-QL7000W delivers an outstanding viewing experience for both movies and sport. With HDMI 2.1 connectivity, a 4K/120Hz refresh and Auto Low Latency Mode, it offers a superbly-smooth gaming experience, while its spectacular image quality at screen sizes up to 1,000" make it the perfect choice for sport simulation. Compatible with a wide range of interchangeable lenses, the EH-QL7000W is easily configured to provide the desired image size, at optimal quality, in any media space. Including options such as an ultra-short throw, zero-offset lens that allow it to be discreetly installed on surfaces such as ceilings, the EH-QL7000W's interchangeable lenses also mean that you can easily adjust the throw distance to project images from different distances without moving the projector. Compatible with a wide range of IP control systems, the EH-QL7000W is not only easily integrated with existing installations, but offers many other benefits, such as simple customisation. Plus, its motorised lens shift with large range, coupled with motorised zoom and focus, make the projector fast and easy to set up, while its near-instant warm-up and cool-down times contribute to its outstanding convenience, energy-efficiency and long (20,000 hour) laser life.

WHAT'S IN THE BOX

- كابل للكهرباء
- التحكم عن بعد مع بطاريات
- غطاء الكابل
- دليل المستخدم
- Warranty card

OPTIONAL ACCESSORIES

- Air Filter - ELPAF46 - EB-L107x/-Z9xxx/ Z1000xU/Z11xxx V13H134A46
- Ceiling Mount - ELPMB67 - EB-L1000/PU1000 V12HA54010
- Ceiling Mount - ELPMB68 V12H006AE0
- Extension Pole - ELPMB70 - For ELPMB68 V12H006AG0
- Lens - ELPLL08 - Long throw - EB-PU Series V12H004L08
- Lens - ELPLM08 - Mid throw 1 - EB-PU1000 Series V12H004M08
- Lens - ELPLM10 - Mid throw 3 - EB-PU Series V12H004M0A
- Lens - ELPLM11 - Mid throw 4 - EB-PU Series V12H004M0B
- Lens - ELPLM15 - Mid throw - EB-PU Series V12H004M0F
- Lens - ELPLU03S - Short throw off axis 1 - EB-PU Series V12H004UA3

PRODUCT SPECIFICATIONS

TECHNOLOGY	
تقنية 3LCD غطاء عدسة الكريستال السائل من RGB	Projection System
inches with C2 Fine 1.04	LCD Panel
IMAGE	
4K 3840 x 2160, 8.3m pixels, 16:9	Resolution
Full HD	High Definition
5,000,000	Contrast Ratio
الليزر	Light Source
hr Durability High, 20000 hr Durability Eco 20000	Laser Light source
Manual vertical: 30, Manual horizontal: 45	Keystone Correction
Bits Color 10	Colour Video Processing
Upto 1.07 billion colours	Colour Reproduction
OPTICAL	
2.47:1 - 1.52	Throw Ratio
Digital, Factor: 1 - 1.61	Zoom

CONNECTIVITY	
النوع B (الخدمة فقط) (x 1), منفذ USB 2. من الفئة x 2) A), مخرج صوت بمقياس استريو صغير (x 1)	Interfaces
PJLink, IPv6	Network Protocol
ADVANCED FEATURES	
حماية كينسينغتون	Security
AV mute, التشغيل/إيقاف التشغيل المباشر, الإطار- تقنية التداخل بين البكسل, تصحيح انحراف أفقي ورأسي, ذاكرة وضع العدسة, وظيفة النسخ المعروضة على الشاشة, تقنية كويك كورنر, دقة فائقة	Other Features
سينما, طبيعي, زاهي, حركي	Video Colour Modes
اكتشاف جهاز Crestron Integrated Partner, Crestron (الشبكة), بروتوكول Control4 Simple Device, Discovery.	Projector Control

PRODUCT SPECIFICATIONS

GENERAL	
Product dimensions	(mm x 568 mm x 192 mm (Width x Depth x Height 568
Heat Dissipation	2,081 Btu per hour
Supply Voltage	AC 100 V ~ 240 V, 50 / 60 Hz
Supported Temperature	Storage -10 °C - 60 °C
Options	فلتر الهواء, حامل سقفي, محوّل التعليق, مجموعة أسلاك السلامة
Room Type / Application	ألعاب 4K, تدفق 4K, السينما المنزلية, Sports, تلفاز ومجموعات البرامج
Positioning	تركيب في السقف, سطح المكتب
Colour	White
