SureColor SC-F6400

DATASHEET / BROCHURE

SureColor SC-F6400

Best for businesses that want to produce personalised promotional products with a compact, affordable UV printer.

Increased productivity.

Increase output by up to 20%[1] with the new PrecisionCore MicroTFP printhead. User productivity is also improved thanks to the large touchscreen, which combined with an easy to access maintenance area, improves efficiency and helps to reduce printer downtime.

Reduced downtime.

Nozzle Verification Technology reduces downtime by automatically detecting and adjusting clogged nozzles, to provide continuous and reliable productivity.

Easy to use ink packs45% larger ink packs[2] help to reduce downtime and replacement frequency, while less packaging reduces waste. The ink packs only need to be shaken and inserted, which means there's no need to for pour and stir, which can create mess.

The complete package.

The SC-F6400 offers users a complete solution so everything works in harmony: from hardware and software, to printheads, ink and warranty.

KEY FEATURES

- **Complete Epson solution**
