

Epson L8160 MEA

DATASHEET / BROCHURE

EcoTank Photo L8160

Best for photographers and artists who want lab-quality A4 photos with print, copy and scan at low cost.

6-Colour Ink System.

The Epson Claria ET Premium inks produce high-quality, long-lasting photos up to A4 size as well as outstanding black and white photos with the new grey ink. The pigment black ink is ideal for printing sharp text on plain papers.

Save Time and Money.

This economical printer allows you to print up to 2,300 high-quality photos with the replacement ink bottles. The bottles and tanks are designed for ease of use, meaning no hassle or mess when it's time to refill.

Modern Flexibility.

With full Wi-Fi, Wi-Fi Direct, and Ethernet connectivity, you can easily integrate this printer with your existing home set-up. You can also print from SD cards and USB flash drives through the 10.9cm colour touchscreen.

Artistic Media Compatibility.

The L8160 has photo-size and A4 front paper trays plus will print directly to suitable CDs/DVDs. The A4 rear tray also accepts speciality media such as craft papers and card, whilst the A4 straight paper feed means you can print on media up to 1.3mm thick and 2m long!Epson Smart Panel App.

This app enables you to control your printer from your smart device. Print photos, copy documents, set up and troubleshoot your printer, and let your creativity flow with a wide range of artistic templates.

Heat-Free Technology.

Engineered with Micro Piezo heat-free technology, you can enjoy consistent high-speed printing, with greatly reduced energy consumption so you can save time and money.

- 115 EcoTank Grey ink bottle
- 115 EcoTank Magenta ink bottle
- 115 EcoTank Photo Black ink bottle
- 115 EcoTank Pigment Black ink bottle

INK YIELD DATA

Included

Replacement

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 or 29103. Quoted yields are NOT based on ISO/IEC 24711 or 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set will be lower.

LOGISTICS INFORMATION

1. Compared to best-selling similarly-featured printers in Middle East & Africa (IDC, Quarterly Hardcopy Peripherals Tracker, Q1 2023 to Q4 2023 shipments, published Q1 2024). Comparison based on the average yield when printing. Cost per page calculated by dividing the relevant bottle/cartridge average selling price as tracked by IDC by the yield. Epson models included: Eco Tank 112 Ink Bottle Series, Eco Tank 110 Ink Bottle Series, Eco Tank 101 Ink Bottle Series, Eco Tank 103 Ink Bottle Series, Eco Tank 664 Ink Bottle Series.
2. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit www.epson.com/eme
3. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 or 29103.
