SureColor SC-T7700DL (with Adobe PostScript)

DATASHEET / BROCHURE

SureColor SC-T7700DL (with Adobe PostScript)

Best for reprographics and in-house print rooms that need 64-inch technical output with PostScript and security.

Focused on higher print volumes.

The SC-T7700DL boasts 1.6L ink packs, versatile dual rolls and a permanent 2.64-inch micro TFP printhead. The features result in a durable high-volume printer for customers who need speed, consistent image quality and security.

Fast and adaptable.

High speeds up to 130 m²/hr, water resistant pigment inks, automatic media switching and bi-directional auto take up reel.

Ideal for print rooms or copy shops.

The contemporary and versatile design make it ideal for working environments, with a flat back, front and sides it allows installation tightly against walls and cabinets. Save regularly used files securely on the encrypted 960GB SSD[1]. Monitor usage and consumables remotely.

Lifetime printhead[2] Print large quantities of detailed technical drawings or advertising posters, without the need to replace the printhead. Images will look professional, precise, and vibrant.
