

Epson L4260 CIS

EcoTank Home+ L4260

Best for creative homes that want vivid colours, sharp lines and duplex printing with PrecisionCore Technology.

Say goodbye to expensive cartridges.

EcoTank provides hassle-free low-cost home printing - the ultra-high capacity ink tanks allow mess-free refills and the key-lock bottles are designed so only the correct colour can be inserted.

Keep on saving.

With up to 3 years' worth of ink included in the box², this EcoTank printer offers substantial print cost savings. The replacement set of ink bottles delivers up to 7,500 pages in black and 6,000 in colour³.

Epson Smart Panel app.

This app enables you to control your printer from your smart device⁴. You can set up Wi-Fi quickly and easily, print documents and photos, monitor and troubleshoot your printer.

Modern flexibility.

Featuring a compact design, Wi-Fi and Wi-Fi Direct connectivity, this printer can be easily integrated with your existing home set-up and print from mobiles, tablets and laptops⁴.

Replacement

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.

1. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit the Epson website.2. Up to 3 years of ink is based on average monthly print volumes of 70 pages for EcoTank home and office printers and 40 photos for EcoTank photo printers. Calculations are based on the lowest included black ink bottle page yield for home and office printers and on the lowest included photo page yield for photo printers.3. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.4. Mobile printing solutions require a wireless and/or an Internet connection to the printer. For a list of Epson Connect enabled printers, compatible devices, apps and ways to connect, visit www.epson.eu/connect.
