Epson TM-T88IV (062): w/o IF, PS, ECW

TM-T88IV (062): w/o IF, PS, ECW

Best for retail and hospitality POS setups that need fast, reliable and eco-conscious thermal receipt printing.

Enhanced customer service.

Designed specifically for high-volume sales environments, the thermal TM-T88IV offers 25% faster printing than its predecessor, a redesigned case, two-colour capability and new easy-to-use features. With its 200mm per second print speed, enhanced graphic capability and increased user memory, the TM-T88IV delivers ultra-fast results. Unlike other printers, it prints text, barcodes and graphics at the same fast speed to deliver intelligent receipts with customer impact whilst helping to increase transaction speed.

Easy-to-use.

The TM-T88IV features easy drop-in paper roll loading, autocutter, full auto status back reporting, enhanced cable management system, optional external power supply mounting, maintenance counter and optional buzzer.

Compact, robust and reliable.

This printer's small footprint and re-designed case makes it ideal for demanding retail and hospitality environments. It can also be wall mounted using an optional bracket. The TM-T88IV benefits from lower power consumption and offers increased reliability with a MCBF of 52 million lines, a MTBF of 360,000 hours and an autocutter life of 1.5 million cuts.

Versatile and adaptable.

The TM-T88IV includes a range of high-speed interfaces such as USB 2 and Powered USB, Ethernet, serial and parallel. It also includes new OPoS, Java and Win APD drivers for seamless integration.
