Epson EB-982W

DATASHEET / BROCHURE

EB-982W

Best for meeting rooms and classrooms. Bright 4,200-lumen WXGA projector with dual HDMI and optional wireless connectivity.

With this WXGA projector, content will be bright, vivid and clear, ensuring that everyone can engage with the audience. Providing excellent visibility, this projector is scalable up to 280 inches and is bright even in high ambient lighting conditions. It's all thanks to the high 4,200-lumen output and 16,000:1 contrast ratio.Our reliable projectors and long-lasting lamps help to eliminate downtime and unnecessary service costs. Imagine what you could achieve with minimal interruptions - our projectors provide years of use before a replacement lamp is required.Every working environment is different so you need a display solution that is simple to set up and position. With our wide 1.6x optical zoom and vertical/horizontal keystone correction, it's easy to get up and running quickly.Capture your audiences' attention and nurture a collaborative environment with hassle-free connectivity solutions. With the iProjection App[1], it's easy to display content from PCs and smart devices. The split-screen function can be utilised to show content from multiple devices simultaneously, while the moderator function lets you review content before it is displayed.
