(LabelWorks LW-1000P (Continental & UK type AC adapter

Best for offices that need wireless label printing from PC, iOS and Android devices for versatile labelling

.Widest range of connectivity

.You can print from your computer, or download the free Epson i

Label app¹ to create and print labels from your iOS or Android device. You can also connect to the LW-1000P without the need for a router, thanks to the wireless device-to-device connectivity – perfect for use with your smart device or if a LAN is unavailable. It can also be used over the LAN as it has .Ethernet and Wi-Fi connectivity too

.Smart device label maker

With its flexible connectivity options, you can either print from your computer, .or download the free Epson i

Label app to create and print custom labels directly from your iOS or Android .device. Fast, productive printing

Boasting print speeds of up to 35mm/sec and a 360dpi print quality, this is Epson's fastest LabelWorks model and ideal for printing multiple labels. The integrated trim cutter can round label edges, which helps reduce peeling once labels are attached, while the top-loading tape feed helps make operating the LW-1000P so easy. And it can print on labels up to 36mm in width. Save .money

To get you started, the LW-1000P comes with one nine-metre tape to create black text on a white background. The large variety of tapes available to buy (including Epson's new glow-in-the-dark, reflective and iron on tapes) ensure .you are able to select the ideal tape for your particular task. Mains powered

.It comes with an AC adapter

LabelWorks LW-1000P (Continental
& UK type AC adapter)
