SureColor SC-T3700D (with Adobe PostScript)

SureColor SC-T3700D (with Adobe PostScript)

Best for reprographics and in-house print rooms that need technical output with PostScript and security.

High speed and high quality.

With Adobe Post.

Script 3 as standard, combined with speeds up to 130 m²/hr, 28 industry focused security features, this dual roll printer can deliver high volume print jobs fast, without compromising on quality.

Compact footprint - versatile design.

The SC-T3700D is compact, simple, and the robust design encapsulates all the standard features meaning it is easily transported and stored.

Ideal for in-house print rooms.

The SC-T3700D enables anyone to reload media using the automatic loading feature, reprint files from the self-encrypting 960GB SSD² and replenish consumables by following instructions on the user interface.

Vibrant and durable prints.

Whether printing large quantities of detailed technical drawings, temporary signage and POP posters, with water resistant pigment inks they will look professional, precise and vibrant.

DATASHEET / BROCHURE
