EcoTank Home L121

DATASHEET / BROCHURE

EcoTank Home L121

Best for families who want effortless, ultra-low-cost colour printing in a compact, reliable design.

Ultra-low cost.

Three whole years[1] – that's how long you could go without buying more ink for the L1110. This means it can save you up to 90% on the cost of ink. Giving you an extremely low cost per page, it produces up to 8,100 pages in black and 6,500 in colour with the included ink.

Cartridge-free printing.

With the equivalent of up to 79 cartridges' worth of ink, you can go longer between refills with this EcoTank printer. It uses an ultra-high-capacity ink tank to completely remove the need for cartridges.

Discover the next generation.

Thanks to the ink tank being positioned at the front of the printer, this new design is compact, provides easy access for refilling, and a clear view of the ink levels. It features an enhanced ink filling system engineered to minimise the risk of spills and mess. The new bottles incorporate a mechanism that ensures only the right tanks are filled with the corresponding colour.

Quality results.

With a Micro Piezo printhead, EcoTank provides a reliable printing solution. Check the technical specification for the latest offer.

KEY FEATURES

- **Up to three years' worth of ink[1]**
  1 set of ink bottles = 79 ink cartridges' worth of ink included[2]
- **Ultra-low-cost printing**
  Save up to 90% on ink costs[3]
- **Next generation ink filling system**
  Enjoy hassle and mess-free refills with enhanced ink bottles
- **Reliable results**
  Micro Piezo technology and Epson genuine ink
- **Peace of mind**
  Covered by Epson's 12 month or 30,000 page warranty

WHAT'S IN THE BOX

- Driver and utilities (CD)
- Main unit
- 4 x 40ml individual ink bottles (Bk,C,Y,M)

INK COMPATIBILITY

- T6641 Black ink bottle 70ml
- T6642 Cyan ink bottle 70ml
- T6643 Magenta ink bottle 70ml
- T6644 Yellow ink bottle 70ml

INK YIELD DATA

Included

Replacement

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 or 29103. Quoted yields are NOT based on ISO/IEC 24711 or 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set will be lower.

1. Based on print volume of 100 A4 pages per month and the lowest yield produced from the included set of inks. Excludes photo and business models.
2. Based on Epson calculations, average number of inkjet cartridges required to print the same number of pages as the average yield of ink bottles included in-box with Epson EcoTank. Comparison between the average yield (A4 prints of ISO/IEC 24712 test pattern) of Epson EcoTank '101', Epson EcoTank '103', Epson EcoTank '664' ink bottle series and the genuine consumables (IDC, Hardcopy Peripherals Consumables Tracker, 2023 shipments, published Q1 2024) used within the 15 best-selling consumer A3 & A4 Color Inkjet devices in Middle East & Africa excluding Deskjet Ultra Ink Advantage (IDC, Quarterly Hardcopy Peripherals Tracker, 2023 shipments, published Q1 2024). Epson models included: L121, L1200 Series, L3200 Series, L4200 Series, L5200 Series, L5590.
3. Compared to best-selling similarly-featured printers in Middle East & Africa (IDC, Quarterly Hardcopy Peripherals Tracker, Q1 2023 to Q4 2023 shipments, published Q1 2024). Comparison based on the average yield when printing. Cost per page calculated by dividing the relevant bottle/cartridge average selling price as tracked by IDC by the yield. Epson models included: Eco Tank 112 Ink Bottle Series, Eco Tank 110 Ink Bottle Series, Eco Tank 101 Ink Bottle Series, Eco Tank 103 Ink Bottle Series, Eco Tank 664 Ink Bottle Series.
4. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit www.epson.com/eme
