EcoTank Business+ M1120

Best for demanding businesses that need reliable, high-volume mono printing at ultra-low cost per page.

Built for demanding businesses.

The EcoTank M1120 delivers reliable, high-volume mono printing at an ultra-low cost per page.

Reduce your printing costs.

Save up to 90% on ink costs[2] with a large refillable ink tank and replacement bottles. With ink included in the box, print thousands of pages straight away and refill far less often.

Save energy.

Cut power consumption by up to 96% when you switch from a laser printer[4], helping lower running costs across your business.

Easy to use.

The fully integrated ink tank system is simple to set up and compact enough for any workspace.

The no.1 ink tank printer brand.

Since Epson began making EcoTanks in 2010, more than 100m EcoTank printers have been sold worldwide[3].

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 or 29103. Quoted yields are NOT based on ISO/IEC 24711 or 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set will be lower.
