TM-T88VI (115): Powered USB, w/o PS, w/o cable, Black

DATASHEET / BROCHURE

TM-T88VI (115): Powered USB, w/o PS, w/o cable, Black

Best for retail and hospitality POS setups that need fast, reliable and eco-conscious thermal receipt printing.

Reliable and high-performance.

Avoid downtime by choosing proven, reliable hardware from the market leader[1]. Fast print speeds of 500mm/s and high-quality, printed legible receipts will ensure happy customers. Backwards compatible.

The TM-T88VII is fully compatible with the existing T88V and T88VI software so there are no expensive costs associated with changing business infrastructure. The printer also has same footprint as previous models, meaning no additional costs of having to change the counters/tills.

Eco-conscious.

The TM-T88VII demonstrates reduced environmental impacts, with lower noise level, lower power consumption and smaller, more efficient power supply. The printer is now compatible with more eco-friendly, Phenol-free paper.

KEY FEATURES

- **Reliable hardware**
  Backed by our tried and trusted build quality
- **High performance**
  Max print speed 500mm/s
- **Connectivity and interface options**
  USB, Ethernet, USB Host as standard; serial, PoweredUSB, options
- **Backwards compatible**
  Fully compatible with the existing T88V and T88VI software
- **Reduced environmental impacts**
