EH-LS800W

DATASHEET / BROCHURE

EH-LS800W

Best for living-room cinema. 4K PRO-UHD ultra-short-throw smart laser TV with up to 150-inch display, Android TV and sound by YAMAHA.

Feel immersed in everything you watch or play with this stylish and affordable 4K PRO-UHD[1] projector which can produce up to a 150” image placed close to the wall. For great gaming - try our new gaming mode with an under 20ms input lag time.Android TV offers thousands of movies, shows and games from Google Play, Amazon Prime Video, YouTube and other favourite apps[4]. Enjoy dynamic audio and 3D surround sound with sound by YAMAHA, which can be used with or without a visual display by simply selecting the visual display to mute and can also connect via Bluetooth to use as a standalone speaker. Looking for a long-term, hassle-free and affordable solution to replace your TV? With this model’s long-lasting laser light source, you’ll be able to enjoy entertainment for up to 10 years[2].With a high brightness of 4,000 lumens and contrast ratio of 2,500,000:1, this 4K PRO-UHD[1], HDR10 projector delivers lifelike content and defined shadow detail. Epson’s 3LCD technology means its projectors have up to three times brighter colours, than comparable 1-chip DLP projectors[3]. With our Epson Setting Assistant app, it’s even easier to set up, you can align the image automatically, with just a click of a button.
