DATASHEET / BROCHURE

EB-994F

Tick all the boxes with this bright and scalable display solution that offers multiple connectivity and is simple to set up

Maximise your presentations with this bright Full HD projector that’s capable of producing a large and scalable display size of up to 304”. The long-lasting lamp provides years use before any replacement lamp is required. It is easy to set up and offers a range of connectivity solutions, so you can quickly access content from multiple devices.

KEY FEATURES

- **Full HD bright and vivid wireless display**

  3LCD technology and Full HD display provide 4100 lumens brightness, delivering superior image quality and high engagement with a scalable display size up to 304”.

- **Multi-device sharing**

  The Epson iProjection app connects and controls up to 4 devices, with a split-screen feature to display 2 image sources, eliminating the need for an extra projector.

- **Portable and versatile design**

  Lightweight and compact, this projector is perfect for various spaces and features a built-in speaker for easy setup.

- **Instant connectivity with Apple AirPlay 2 and Miracast**

  Seamlessly share content from laptops, tablets, and smartphones - perfect for BYOD setups and collaborative environments.

- **Reliability and peace of mind**

  The EB-994F offers a 5-year warranty and 17,000 hours lamp life in Eco mode, ensuring long-lasting performance.
