

Epson L121 MEAF

DATASHEET / BROCHURE

EcoTank Home L121

Best for families who want effortless, ultra-low-cost colour printing in a compact, reliable design.

Ultra-low-cost printing.

The L121 offers affordable printing and a low cost per print. Each set of ink bottles can print up to 4,500 pages in black and 7,500 pages in colour¹, delivering an ultra-low cost per page for both black and colour printing.

Easy to use and reliable.

Increase productivity and reduce downtime with hassle-free set up and reliable printing. The purpose-built ink tank is fully integrated into the printer, so you can enjoy reliable colour printing without the mess or hassle often associated with non-genuine refills and third-party ink tank systems. Epson-genuine ink bottles make it easy to refill the ink tank with their clear labelling and drip-free nozzle. The L121 has 40ml ink tanks, giving it a smaller, more compact design that easily fits into home offices or student bedrooms. This printer comes with a 12 month (or 15,000 page) warranty, providing peace of mind and help should you need it.

Epson-quality printing.

The L121 utilises genuine Epson ink and Epson's Micro Piezo technology to produce consistent quality prints. An iSO print speed 9ppm in black and 4.8ppm in colour² ensures you won't be waiting around for print jobs.
