

Workforce Enterprise AM-C400

KEY FEATURES

Small footprint •

C' shaped paper path makes this a more compact A4 device, amongst the smallest footprint in its class

Ultra efficient energy consumption •

Save up to 64%⁴ on energy while printing with the Epson AM-C400

High performance •

Simple paper path allows printing on a wide range of media, delivering reliable and high-speed printing and scanning

Enablement with Solutions •

Compatible with a wide range of Epson and 3rd Party solutions

Print speeds up to 40ppm •

Benefit from 40ppm effortless printing, designed for the fast-paced work environment

WorkForce Enterprise AM-C400

Best for enterprise teams that need 40 ppm colour output with low energy use and minimal consumable replacements

.Compact design

The new 'C' shape paper path makes the AM-C400 a more compact A4 device. Despite the slim design, it boasts a high paper capacity (max.2,100 .pages), a fast FPOT- and high print and scan speeds

.Ultra efficient energy consumption

.Save up to 64%⁴ on energy while printing with the Epson AM-C400

.Efficient performance

The AM-C400 makes any job easy and efficient. They feature a simple paper path and non-contact printing, which allows printing on a wide range of media .including recycled paper and envelopes

.Added choice

The large (10.1") Smartphone-like User Interface allows for seamless setup .and use, along with mobile printing and scanning.AM-C ecosystem

Achieve a seamless user experience, thanks to the shared user interface, solutions, and Line Inkjet productivity across the AM-C A4 and A3 range. In addition, the new 'C' shape paper path design enables compact design, a single access point to clear all paper jams and convenient consumable front .loading

.High performance, flexible solutions

Software such as Epson Print Admin (EPA) and EPA Serverless, aid your print security requirements, as well as scan workflows with Document Capture. Compatibility with embedded Solutions such as OCR and easy remote diagnosis with Epson Remote Services all boost additional functionality to the device. Vertical market needs are addressed through compatibility with 3rd .party solutions thanks to Epson Open Platform

LOGISTICS INFORMATION

1. Please visit epson.eu/heat-free-technology for more information.2. For detailed information on printing speeds please visit www.epson.eu/testing.3. This explanation is only applicable for MicroPiezo fundamental advantage in principle. Product performance may vary.4. Based on Epson calculations, the Epson WorkForce Enterprise AM-C400 uses 64% less energy compared to the average energy of the 10 best-selling A4 Colour Laser MFP machines in Central & Eastern Europe & Western Europe (IDC, Quarterly Hardcopy Peripherals Tracker, Q1 2023 to Q4 2023 shipments, published Q1 2024). Comparison based on the Typical Energy Consumption (TEC) as published by ENERGY STAR or the manufacturers' official specifications or calculation of an equivalent value where TEC 3.0 data is unavailable. If no data is available the products have been removed from the comparison.
