Creates long-lasting prints with clear 180dpi resolution

LabelWorks LW-C410

Best for offices and field teams that need a portable, easy-to-use handheld label maker on the go

Easy to use This Bluetooth label maker can be operated via a mobile app that's simple to use, yet sophisticated enough to handle all home business and crafting requirements. Compatible with Android and IOS devices

Versatile Working with 36 tapes and ribbons across a wide range of colours and finishes, the LW-C410 gives you an impressively versatile printing solution. With widths of up to 18mm and 180dpi resolution, users can print QR codes, images, original designs and more – making home labelling easier and bespoke gifting more beautiful. **Portable** The 430g frame is lightweight, durable, and battery operated so you can pick it up and work from anywhere at home, without wires getting in the way. **Cuts waste and costs**

The LW-C410 features Epson's unique auto-cutter technology which significantly reduces margin waste compared to competitors. This means users get more prints per ribbon and tape cartridge
