

# Workforce Enterprise AM-C400

DATASHEET / BROCHURE

## WorkForce Enterprise AM-C400

**Best for enterprise teams that need 40 ppm colour output with low energy use and minimal consumable replacements.**

### KEY FEATURES

- **Small footprint**  
C' shaped paper path makes this a more compact A4 device, amongst the smallest footprint in its class
- **Ultra efficient energy consumption**  
Save up to 64%<sup>4</sup> on energy while printing with the Epson AM-C400
- **High performance**  
Simple paper path allows printing on a wide range of media, delivering reliable and high-speed printing and scanning
- **Enablement with Solutions**  
Compatible with a wide range of Epson and 3rd Party solutions
- **Print speeds up to 40ppm**  
Benefit from 40ppm effortless printing, designed for the fast-paced work environment

## PRODUCT SPECIFICATIONS

### TECHNOLOGY

|                     |                                    |
|---------------------|------------------------------------|
| Printing Method     | PrecisionCore™ Micro TFP printhead |
| Ink Technology      | DURABrite™ Pro                     |
| Printing Resolution | 600 x 1200 DPI                     |

### PRINT

|                              |                                              |
|------------------------------|----------------------------------------------|
| Printing Speed ISO/IEC 24734 | 40 Pages/min Monochrome, 40 Pages/min Colour |
|------------------------------|----------------------------------------------|

For detailed information on printing speeds please visit <http://www.epson.eu/testing>.

### SCAN

|              |                            |
|--------------|----------------------------|
| Scanner Type | Contact image sensor (CIS) |
|--------------|----------------------------|

### PAPER / MEDIA HANDLING

|                |                                                                                                                    |
|----------------|--------------------------------------------------------------------------------------------------------------------|
| Paper Formats  | A4 (21.0x29.7 cm), A5 (14.8x21.0 cm), Letter, LGL                                                                  |
| Duplex         | Yes                                                                                                                |
| Print Margin   | 0 mm top, 0 mm right, 0 mm bottom, 0 mm left (Wherever margin is defined. Otherwise 3mm Top, Right, Bottom, Left.) |
| Media Handling | Automatic duplex, ADF 2-sided copy (A4, plain paper), ADF 2-sided scan (A4, plain paper)                           |

### GENERAL

|                                    |                                                                                                                                                                                                                                                                                                                                                                                      |
|------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product dimensions                 | 465 mm x 517 mm x 570 mm (Width x Depth x Height)                                                                                                                                                                                                                                                                                                                                    |
| Compatible Operating Systems       | Mac OS 11.x, Mac OS 12.x, Mac OS X 10.11.x, Mac OS X 10.12.x, Mac OS X 10.13.x, Mac OS 10.9.x, Windows 10 (32/64 bit), Windows 11, Windows 7 (32/64 bit), Windows 8 (32/64 bit), Windows 8.1 (32/64 bit), Windows Server 2008 (32/64bit), Windows Server 2008 R2, Windows Server 2016, Windows Server 2019, Windows Server 2012 (64bit), Windows Server 2012 R2, Windows Server 2022 |
| Included Software                  | Document Capture Pro                                                                                                                                                                                                                                                                                                                                                                 |
| WLAN Security                      | WEP 64 Bit, WEP 128 Bit, WPA2 Enterprise, WPA2 PSK (AES), WPA3-SAE(AES)                                                                                                                                                                                                                                                                                                              |
| Mobile and Cloud Printing Services | Apple AirPrint, Mopria, Epson Smart Panel App, Epson Connect (Email Print, Scan-to-Cloud)                                                                                                                                                                                                                                                                                            |

### OTHER FEATURES

|          |                                                  |
|----------|--------------------------------------------------|
| Panel    | Type: Colour, Diagonal: 27.7                     |
| Features | Direct print from USB, Direct Print, Touchscreen |

### OTHER

## Workforce Enterprise AM-C400

### WHAT'S IN THE BOX

- Initialization Ink Supply Units
- Warranty Documents

### INK COMPATIBILITY

- WorkForce Enterprise AM-C400 Black Ink
- WorkForce Enterprise AM-C400 Cyan Ink
- WorkForce Enterprise AM-C400 Magenta Ink
- WorkForce Enterprise AM-C400 Yellow Ink

### INK YIELD DATA

Included

Replacement

## LOGISTICS INFORMATION

1. Please visit [epson.eu/heat-free-technology](http://epson.eu/heat-free-technology) for more information. 2. For detailed information on printing speeds please visit [www.epson.eu/testing](http://www.epson.eu/testing). 3. This explanation is only applicable for MicroPiezo fundamental advantage in principle. Product performance may vary. 4. Based on Epson calculations, the Epson WorkForce Enterprise AM-C400 uses 64% less energy compared to the average energy of the 10 best-selling A4 Colour Laser MFP machines in Central & Eastern Europe & Western Europe (IDC, Quarterly Hardcopy Peripherals Tracker, Q1 2023 to Q4 2023 shipments, published Q1 2024). Comparison based on the Typical Energy Consumption (TEC) as published by ENERGY STAR or the manufacturers' official specifications or calculation of an equivalent value where TEC 3.0 data is unavailable. If no data is available the products have been removed from the comparison.
