Move from room-to-room and print from anywhere

Lightweight and both battery and AC adaptor compatibility

Versatile tape range •

Metallic to matte tapes and satin ribbons, our vast range allows you to personalise your print

Less waste and cost efficient •

Epson auto-cutter technology reduces margin waste and money spent on tapes

Thermal Transfer Print Technology •

Creates long-lasting prints with clear 360dpi resolution

LabelWorks LW-C610

Best for offices that need wireless label printing from PC, iOS and Android devices for versatile labelling

.Fully flexible

The LW-C610 features a chic lightweight frame, full Bluetooth connectivity, and both battery and AC adaptor compatibility, so you can set up their workspace anywhere and seamlessly switch between tasks. Simple yet sophisticated mobile app

This Bluetooth label maker is manageable via a mobile app simple enough for a child to use, yet sophisticated enough to handle all home business and .crafting requirements. Compatible with Android and IOS devices

.Impressively versatile

Working with 50 tapes and ribbons up to 24mm in width, the LW-C610 allows you to print across a wide range of colours and finishes, creating barcodes, borders, brand-designs and even hand drawn images. This versatility is supported by a 360dpi resolution to ensure a perfectly clear print every time

.Cost efficient

Epson's built-in auto-cutter technology significantly reduces margin waste compared to competitors. This means you get more prints for the same .amount of ribbon and tape
