SurePress L-4733AW

DATASHEET / BROCHURE

SurePress L-4733AW

Best for label converters that need an extended colour gamut with white ink for premium label production.

Quality meets versatility.

Outstanding image quality with a print resolution up to 720 x 1440 dpi, this exceptional 6 colour label press plus white, prints on a wide range of standard paper and film substrates without the need for special primers.

Epson-assured colour reliability.

From printheads to ink, Epson designs and controls all technology inside the Surepress L-4733AW. This ensures precise colour and exceptional print results again and again.

Automated maintenance.

With improved automation further reduce unnecessary downtime to achieve higher productivity and dependable performance.

Higher productivity.

The L-4733AW makes short run label printing efficient and productive with higher-speed print modes on film substrates. Uncomplicated and easy to operate the L-4733AW offers effortless printing and a fast and efficient workflow.

KEY FEATURES

- **Excellent image quality**
  Optimised processes provide excellent image quality colour stability.
- **Highly versatile**
  Exapnded substrates and end application
- **Higher productivity, less down time**
  Optimised processes increase uptime and reduce ink wastage.
- **Reduced maintenance**
  Minimal maintenance requirements increases uptime and productivity.
- **Consistent colour**
  Epson printheads, ink and software for repeatable colour quality.
