SureColor SC-T7700DM (With SSD & PostScript)

DATASHEET / BROCHURE

SureColor SC-T7700DM (With SSD & PostScript)

Best for technical teams that need 36-inch print, scan and copy in a compact, secure multifunction format.

The SureColor T7700DM delivers a comprehensive office solution in one convenient, compact and easy to use package.

Space saving design.

Designed to deliver on demand printing, with expanded memory for all printing and scanning needs. Scan important, time sensitive projects as encrypted files to multiple destinations quickly, easily and securely.

Multi-function.

Scan at up to 10 IPS and simultaneously save to a wide range of preferred locations including the onboard self encrypting 960GB SSD, network and folders.

Copy and enlarge originals by 25 to 755%. Print files in high quality and vivid colours with the Epson PrecisionCore printhead and 6 colour XD3 inks including Red (found in all Tx700 models).

Enhanced ITManage your files more efficiently, through central management tracking applications: Epson Cloud Solutions PORT and Epson Device Admin or 3rd Party solutions (ISV).
