EcoTank Business+ L11050F

Best for demanding businesses that need fast A3 colour printing with high-volume handling and low costs

.Goodbye cartridges

With an integrated front facing ink tank system, refilling ink is made easy thanks to drip-free ink bottles. With 65ml of ink per bottle, the high capacity ink tank can print up to 7,000 quality pages from a set of replacement ink bottles¹

.Keep on saving

Take advantage of ultra-low-cost prints. Thanks to Heat-Free PrecisionCore printhead technology, EcoTank has a low energy consumption, which can reduce energy bills. Stylish and compact in design, the L11050 fits most spaces with ease

.Easy-to-use and reliable

This model is ideal if users are looking to print great quality office prints in high volumes for a low cost-per-print. Avoid downtime with the easy-to-access replaceable maintenance box and pickup roller. With a standard 1 year warranty², the L11050 provides peace of mind, so users can focus on their business

.Print from almost anywhere

It's easy to print from mobiles, tablets and laptops using the L11050. With Wi-Fi and Wi-Fi Direct, send documents to print from smart devices using the Epson Smart Panel app³

1. Quoted ink bottle photo yields are extrapolated based on the ISO/IEC 29103 pattern with Epson's methodology printing photos in 10x15cm format, and NOT based on ISO/IEC 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower. For more information visit www.epson.eu/pageyield2. Terms and conditions apply. For details, visit www.epson.eu/printerwarranty3. Mobile printing solutions require a wireless and/or an internet connection to the printer. For a list of Epson Connect enabled printers, compatible devices, apps and ways to connect, visit www.epson.eu/connect4. For test conditions, please visit www.epson.eu/testing
