**EPSON**<sup>®</sup>  
EXCEED YOUR VISION

# Why choose an EcoTank printer?

## The future is Epson Ecotank

Take the hassle out of printing with up to 14,000 pages worth of ink included in the box<sup>3</sup>.

1 set of ink bottles is equivalent to

**79**  
ink cartridges<sup>4</sup>

## Ultra-low-cost printing

EcoTank printers deliver an unbeatable 90% lower cost-per-page than competitive printers<sup>5</sup>.

Save up to

**90%**  
on printing costs<sup>5</sup>

## Easy to use

The new ink filling system minimises spills with enhanced bottles that feature a key-lock design to ensure each tank is filled with the right colour.

Save up to

**4,700 SAR**  
with in-box ink vs cartridge<sup>4</sup>

## Peace of mind

EcoTank printers provide Epson quality, speed and reliability, giving you true peace of mind backed up by a minimum 1 year warranty, plus a free promotional 3 year warranty extension:

[www.epson-middleeast.com/promotions/extended-warranty](http://www.epson-middleeast.com/promotions/extended-warranty).

Less than

**2 halala**  
a colour page<sup>6</sup>

**7** out of **10**

ink printers sold in the Middle East and Africa are Epson<sup>1</sup>

# Epson's EcoTank series

Choose the model that suits your needs.

## Home printers

Up to  
**14,000**  
pages<sup>3</sup>

## Office and business printers

Up to  
**14,000**  
pages<sup>3</sup>

## Photo printers

Up to  
**1,900**  
10x15

# We've changed printing forever

Epson's EcoTank printers provide an ultra-low-cost printing solution plus they're reliable and easy to use too.

## Ultra-low-cost printing

Thanks to the integrated high-capacity ink tanks, ink is supplied continuously to the printer, you simply top up the tanks with Epson ink bottles and keep on printing. Not only is it more convenient, they allow you to save up to 90% on printing costs<sup>5</sup>, so it's much better value too.

## Lock and fill system

The new ink filling system minimises spills with enhanced bottles that are easier to open and have an airflow system so squeezing is not necessary during the filling process. The new bottles also feature a key-lock design that ensures each tank is filled with the right colour.

## Double-sided printing

Save money and paper by printing automatically on both sides of the page. It's more eco-friendly too.

## Permanent printhead

With an EcoTank printer there is no need to buy and install replacement printheads during the lifetime of the printer.

# Welcome to Heat-Free Technology

Epson's unique Heat-Free Technology offers numerous benefits over laser and thermal inkjet models. To start off, this technology doesn't need to warm up when switched on.

A first page can be printed fast, using less power. Running costs are reduced further due to fewer replacement parts being needed (with no heat damage, the printheads last the lifetime of the printer). Epson Heat-Free Technology offers improved reliability, reduced downtime and less environmental impact.

# Epson Connect

Print and scan from anywhere

## Epson Email Print<sup>8</sup>

Print your photos and documents from anywhere in the world. Simply email your files to your printer's unique email address for automatic printing.

## Epson iPrint<sup>8</sup>

Print or scan your photos and documents from your smartphone or tablet. Download and install the free app, and you're ready to print over Wi-Fi. Available for iOS and Android.

## Wi-Fi Direct

No wires, no router, no fuss. With Wi-Fi Direct there's no need for a permanent internet connection or Wi-Fi network.

Simply connect your smartphone, tablet or laptop to your printer's Wi-Fi signal, and select your photo or document to print wirelessly.

## Other Mobile Solutions

### Apple AirPrint<sup>®</sup>

Print wirelessly from your iOS device to a nearby AirPrint-ready Epson printer.

<sup>1</sup> Based on IDC, Quarterly Hardcopy Peripherals Tracker, 2010 to 2020 shipments, published Q1 2020. <sup>2</sup> Based on cumulative sales of Epson ink tank printers from 2010 to 2020 based on Epson internal shipment data. IDC, Quarterly Hardcopy Peripherals Tracker, 2010 to 2020 shipments, published Q1 2020. <sup>3</sup> Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower. <sup>4</sup> Based on Epson calculations, average total saving and average number of inkjet cartridges required to print the same number of pages as the average yield of ink bottles included in-box within the EcoTank A4 4-colour range. Comparison between average yield (A4 prints of ISO/IEC 24711) of EcoTank "664", "101" and "103" bottle series and the genuine consumables used within the 10 best-selling consumer A4 inkjet cartridge printers in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published Q1 2020). Total savings calculated with reference to the average purchase price of a printer amongst these top 10 models plus printing costs, calculated by dividing the relevant cartridge sales revenue and total yield by unit sales in Middle East and Africa (IDC, Hardcopy Peripherals Consumables Tracker, 2019 shipments, published H2 2019). USD converted to local currency using FX spot rate from XE.COM as at 08/07/2020. <sup>5</sup> Based on Epson calculations, cost per page saving with reference to the average printing costs for EcoTank "664", "101" and "103" bottle series and the genuine consumables used within the 10 best-selling consumer A4 inkjet cartridge printers in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published Q1 2020). Cost per page calculated by dividing the relevant bottle/cartridge sales revenue and total yield by unit sales in Middle East and Africa (IDC, Hardcopy Peripherals Consumables Tracker, 2019 shipments, published H2 2019). USD converted to local currency using FX spot rate from XE.COM as at 08/07/2020. <sup>6</sup> Number of pages printed is based on the highest cost per page (CPP) of Epson 101, 103 and 664 ink bottle ranges. CPP is calculated from the total combined price of cyan, magenta and yellow ink bottles RRP's for colour pages or the black ink bottle RRP's for black pages, divided by the published page yields. RRP's correct as of July 2020. <sup>7</sup> Determined in accordance with ISO/IEC 24734 showing the average of ESA T from the Office Category Test for default simplex. For more information visit [www.epson.eu/testing](http://www.epson.eu/testing) <sup>8</sup> Epson iPrint requires a wireless connection and the Epson printing app. Epson Email print requires an internet connection. For more information, supported languages and devices, please visit [www.epson.eu/connect](http://www.epson.eu/connect) <sup>9</sup> AirPrint-enabled printers work with iPhone 4s and later, iPad 2 and later, all models of iPad Air and iPad mini, and iPod touch 5th generation with the latest version of iOS, and Mac with the latest version of OSX.

Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the quantity of ink used to fill the print heads' nozzles, such as temperature. During the initial print setup, a certain amount of ink is used to fill the print heads' nozzles, therefore the yield of the initial bundled set can be lower. <sup>2</sup> Based on Epson calculations, average number of toner cartridges required to print the same number of pages as the yield of Epson Mono EcoTank ink bottle. Comparison between average yield (A4 prints of ISO/IEC 19752) of the EcoTank "110" bottle and yield of the genuine consumables (ILiC, Hardcopy Peripherals Consumables Tracker, 2019 shipments, published H2 2019) sold and used within the 10 best-selling 1-20ppm cartridge-based mono laser printers in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published Q1 2020). <sup>3</sup> Based on Epson calculations, cost per page saving with reference to the average printing costs for EcoTank "110" large ink bottle series and the genuine consumables used within the 5 best-selling cartridge-based 1-20ppm single-function mono laser printers in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published Q1 2020). <sup>4</sup> Comparison between average yield (A4 prints of ISO/IEC 19752) of EcoTank "110" bottle and the genuine consumables sold and used within the 10 best-selling 1-20ppm mono laser printers in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published Q1 2020). <sup>5</sup> Total savings calculated with reference to the average purchase price of a printer amongst these top 5 model plus printing costs, calculated by dividing the relevant cartridge sales revenue and total yield by unit sales in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published H2 2019). USD converted to local currency using FX spot rate from XE.COM as at 08/07/2020. <sup>6</sup> Determined in accordance with ISO/IEC 17629 showing the average of FPOT (sec) from the Office Category Test for default A4 simplex and duplex. For more information, please visit [www.epson.eu/testing](http://www.epson.eu/testing). <sup>7</sup> Number of pages printed is based on the highest cost per page (CPP) of Epson 110 large ink bottle. CPP testing. <sup>8</sup> Average of ESAT from the Office Category Test for default simplex. For more information visit [www.epson.eu](http://www.epson.eu). <sup>9</sup> Based on Epson calculations, average total saving required to print the same number of pages as the average yield of ink bottles included in-box within the EcoTank Mono range. Comparison between average yield (A4 prints of ISO/IEC 19752) of EcoTank "110" bottle and the genuine consumables sold and used within the 5 best-selling cartridge-based 1-20ppm single-function mono laser printers in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published Q1 2020). <sup>10</sup> Total savings calculated with reference to the average purchase price of a printer amongst these top 5 models plus printing costs, calculated by dividing the relevant cartridge sales revenue and total yield by unit sales in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published H2 2019). USD converted to local currency using FX spot rate from XE.COM as at 08/07/2020. <sup>11</sup> AirPrint-enabled printers work with iPhone 4s and later, iPad 2 and later, all models of iPad Air and iPad mini, and iPod touch 5th generation with the latest version of iOS, and Mac with the latest version of OS X. <sup>12</sup> Based on Epson calculations, average total saving required to print the same number of pages as the yield of ink bottles included in-box within the EcoTank M1120. Comparison between average yield (A4 prints of ISO/IEC 19752) of EcoTank "110" bottle and the genuine consumables sold and used within the 5 best-selling cartridge-based 1-20ppm single-function mono laser printers in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published Q1 2020). <sup>13</sup> Based on Epson calculations, average total saving required to print the same number of pages as the yield of ink bottles included in-box within the EcoTank M2120. Comparison between average yield (A4 prints of ISO/IEC 19752) of EcoTank "110" bottle and the genuine consumables sold and used within the 5 best-selling cartridge-based 1-20ppm multi-function mono laser printers in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published H2 2019). USD converted to local currency using FX spot rate from XE.COM as at 08/07/2020. <sup>14</sup> Only applicable to the following models: M1140, M2140, M3140 and M3170. <sup>15</sup> Only applicable to the following models: M1140, M1170, M2170, M3170 and M3170. Peripherals Consumables Tracker, 2019 shipments, published H2 2019). USD converted to local currency using FX spot rate from XE.COM as at 08/07/2020. <sup>16</sup> Only applicable to the following models: M1140, M2140, M3140 and M3170.

## Other Mobile Solutions

### Apple AirPrint™<sup>1</sup>

Print wirelessly from your iOS device to a nearby AirPrint-ready Epson printer.

# Epson Connect

Print and scan from anywhere

## Epson Email Print<sup>10</sup>

Print your photos and documents from anywhere in the world. Simply email your files to your printer's unique email address for automatic printing.

## Epson iPrint<sup>10</sup>

Print or scan your photos and documents from your smartphone or tablet. Download and install the free app, and you're ready to print over Wi-Fi. Available for iOS and Android.

## Wi-Fi Direct

No wires, no router, no fuss. With Wi-Fi Direct there's no need for a permanent internet connection or Wi-Fi network. Simply connect your smartphone, tablet or laptop to your printer's Wi-Fi signal, and select your photo or document to print wirelessly.

# Welcome to Heat-Free Technology

Epson's unique Heat-Free Technology offers numerous benefits over laser models. To start off, this technology doesn't need to warm up when switched on. A first page can be printed fast, using less power. Running costs are reduced further due to fewer replacement parts being needed (with no heat damage, the printheads last the lifetime of the printer). Epson Heat-Free Technology offers improved reliability, reduced downtime and less environmental impact.

Epson's EcoTank printers provide an ultra-low-cost printing solution plus they're reliable and easy to use too.

## Ultra-low-cost printing

Thanks to the integrated high-capacity ink tank, ink is supplied continuously to the printer, you simply top up the tank with Epson ink bottles and keep on printing. Not only is it more convenient, it's much better value too.

Print 2.5 times more pages at no extra cost with EcoTank

printers<sup>9</sup>

## Why choose an EcoTank printer?

### The future is Epson EcoTank

Take the hassle out of printing with up to 1,000 pages worth of ink included in the box<sup>3</sup>. That's the equivalent of 5 toner cartridges on average<sup>4</sup>.

### Ultra-low-cost printing

EcoTank printers deliver an unbeatable 90% lower cost-per-page than competitor printers<sup>5</sup>.

### Easy to use

The new ink filling system minimises spills with enhanced bottles that feature a key-lock design. The bottles are easy to open and have an airflow system so squeezing is not necessary during the filling process.

1 ink bottle is equivalent to
