

SureColor S60610

SureColor S60610

Best for sign and display makers who need vibrant, precise output for professional signage and graphics.

Precision.

Production with unrivalled accuracy thanks to a sophisticated substrate handling system for class-leading performance. Featuring a highly advanced auto-tension control (AD-ATC) system, wide-diameter feed rollers and anti-static flexible pressure rollers to optimise grip feed and accuracy.

Quality.

Featuring the latest generation dual Epson PrecisionCore TFP printheads, the SC-S60610 produces outstanding output with superb colours and clarity. Working in tandem with new formulation Epson UltraChrome GS3 inks, users can produce a wide range of highly accurate colours. Improving the quality on a range of substrates is possible thanks to the printers' Precision Dot high-quality mode.

Productivity.

Automated printhead maintenance and an ink mist collection system help ensure continued printing for maximum uptime.

Service and support.

If a problem does arise, Epson has it covered with a two-year warranty as standard. For those who want to benefit from Epson's exceptional service and support for longer, extended warranty options are also available.

KEY FEATURES
