SureColor S9100

DATASHEET / BROCHURE

SureColor S9100

Best for sign and graphics professionals who need durable, vibrant 64-inch eco-solvent output for indoor and outdoor use.

Designed for superior efficiency and print quality, this high-performance, 64-inch eco-solvent printer features an 11-colour UltraChrome GS3 ink system, including an added green, to provide vibrant prints with a wide colour gamut. With a 10% increase in productivity[1] and user-replaceable printhead, it ensures faster output, minimal downtime and high precision for professional graphics and signage.

KEY FEATURES

- **Boosts productivity with a 1.3x larger printhead[1]**

  Increases speed by up to 10%[1], making it perfect for high-volume printing environments

- **11-colour UltraChrome GS3 ink set with green**

  Achieve ultra-smooth gradations and vibrant, accurate colours with an extended colour gamut.

- **Compact design and easy installation**

  Ideal for tight spaces, with a small footprint, low-profile, and flat-top for easy access and use.

- **Minimises downtime with user-replaceable printheads**

  Keep your workflow smooth and efficient with easily replaceable printheads, requiring no specialist tools or service calls.

- **Ideal for professional graphics and signage**

  Epson's advanced PrecisionCore technology guarantees high-resolution output, providing crisp, detailed prints - every time.
