Epson DFX-9000N

DFX-9000N

Best for data centres and back-office operations that need high-speed, heavy-duty 136-column dot matrix output.

The Epson DFX-9000 is a high print volume printer providing an unprecedented level of speed and reliability for the most demanding business. Its advanced paper handling accommodates a variety of paper types while the standard front and rear push tractors can be switched easily between different types of continuous paper. An optional perforation cutter provides paper finishing capabilities.
