Paper handling. Choose from front, top, bottom, rear paper paths

Print Speed Enhancer •

Print Speed Enhancer. For faster printing of bit images under Windows environment

Easy connectivity Parallel and USB interfaces as standard

Best for high-volume data processing that needs fast, reliable 24-pin .136-column dot matrix printing

Reliability and speed. This 24-pin wide carriage printer takes care of big print jobs without a fuss. You can rely on high quality results on a wide range of paper types while the impressive 576 cps (at 12 cpi) print speed is perfect for large volume tasks. This robust device is very dependable and has a print head life of 400 million strokes per wire, plus a mean time between failure of .20,000 power-on hours

Flexibility. Choice of front, top, bottom and rear paper paths gives you even more control over desk space management. And the addition of a USB interface means more flexibility in connectivity

Longer ribbon life. With a ribbon life of around 15 million characters, the ribbon replacement cycles are longer, which brings down running costs and .maintenance time
