

SureColor SC-F6400H

DATASHEET / BROCHURE

SureColor SC-F6400H

Best for textile producers and promotional goods makers who need high-quality 44-inch dye sublimation output.

Extended colours.

The 44-inch, 6 colour dye-sublimation printer enables businesses to expand into new markets, as the extended ink sets can achieve a wider colour gamut with Orange and Violet, reduce graininess with Light Cyan and Magenta or print true fluorescents with Fluorescent Pink and Yellow.

Increased productivity.

User productivity is improved thanks to the large touch screen, which combined with an easy to access maintenance area, improves efficiency and helps to reduce printer downtime.

Easy to use ink packs.

Enjoy 45% larger ink packs² which reduce downtime and replacement frequency, while less packaging reduces waste. The ink packs only need to be shaken and inserted, no more pouring and stirring, which can create mess.

The complete package.

The SC-F6400H offers users a complete solution so everything works in harmony: from hardware and software, to printheads, ink and warranty.

KEY FEATURES

- **Complete Epson solution**

Hardware, software, printhead, ink and sublimation paper

- **Easy installation**

Special tools and specialist knowledge are not required

- **Bundled take-up reel**

Print longer, uninterrupted lengths by winding media onto a core

- **Product durability**

Enhanced specification increases product life and improves ROI

- **Low TCO**

Easy user access and downtime reduction
