Easy to use with full front operation

Built-in autocutter and acoustic buzzer

TM-C610 (021): USB, PS, ECW

Best for retailers who need on-demand, full-colour coupon and promotional printing at the point of sale

The Epson TM-C610 is a unique colour coupon printer with a compact design to slot neatly into your point of sale. Printing at 96mm per second, it produces eye-catching, waterproof colour coupons on-demand at high speed so your customers won't need to wait

Requiring very little maintenance, the TM-C610 is ultra-reliable thanks to its Micro Piezo printhead and long-life autocutter. The printer can be remotely managed, and features USB and network interfaces for easy connectivity

Simple to use, even for inexperienced operators, the TM-C610 is both controlled and loaded from the front, so changing paper and ink takes just seconds. The waste ink tank is included in the cartridge to ensure no mess is left behind. The TM-C610 can help cut consumables costs, as it uses plain paper and high-capacity cartridges optimised for high-volume printing. Plain paper and water-based inks also help reduce your environmental impact

Epson TM-C610 (021): USB, PS, DUV **PRODUCT SPECIFICATIONS**

WHAT'S IN THE BOX

- Main unit
- מדריך למשתמש (CD)
- גלילי נייר
