

KEY FEATURES

EcoTank Business L6276

Double-sided printing plus ADF •

save up to 90% on ink costs with
refillable ink tanks¹

A4 multifunction printer with ADF •

High quality print, copy and scan in
one machine

High-capacity refillable ink tanks •

Use the Epson Smart Panel app to
set up, monitor, print and more from
your mobile²

High-yield replacement ink bottles •

All included in the box - just add pa-
per for low intervention printing

Number 1 ink tank printer brand • *worldwide

Over 100m EcoTank printers sold
*worldwide

**Best for entrepreneurs and small offices that need efficient 3-in-1 print-
ing with ADF and duplex**

.Say goodbye to cartridges

Hassle-free printing for homes and small offices - the ultra-high capacity ink
tanks allow mess-free refills and the key-lock bottles are designed so only the
.correct colour can be inserted

.Keep on saving

This EcoTank printer saves you up to 90% on ink costs. Print up to 14,000
pages in black and 5,200 in colour with the included ink, and a replacement
.set of ink bottles delivers the equivalent of up to 66 cartridges worth of ink

.Modern flexibility

Easily integrate this printer with your existing home set-up and print from mo-
biles, tablets and laptops. Plus, with Epson Smart Panel app you can control
your printer from your smart device. You can print documents and photos, set
.up, monitor and troubleshoot from your phone or tablet

.Packed with features

Featuring a 6.1cm colour LCD screen, automatic double-sided printing and
30-page document feeder, 250-page front paper tray and print speeds of up
.to 15.5 pages per minute, you can speed through a variety of tasks with ease

Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 or 29103. Quoted yields are NOT based on ISO/IEC 24711 or 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set will be lower

1. Compared to best-selling similarly-featured printers in Middle East & Africa (IDC, Quarterly Hardcopy Peripherals Tracker, Q1 2023 to Q4 2023 shipments, published Q1 2024). Comparison based on the average yield when printing. Cost per page calculated by dividing the relevant bottle/cartridge average selling price as tracked by IDC by the yield. Epson models included: Eco Tank 112 Ink Bottle Series, Eco Tank 110 Ink Bottle Series, Eco Tank 101 Ink Bottle Series, Eco Tank 103 Ink Bottle Series, Eco Tank 664 Ink Bottle Series.

2. Mobile printing solutions require a wireless and/or an Internet connection to the printer. For a list of Epson Connect enabled printers, compatible devices, apps and ways to connect, visit www.epson.com/eme

3. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 or 29103. Quoted yields are NOT based on ISO/IEC 24711 or 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set will be lower.

4. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit www.epson.com/eme
