

HASSLE-FREE PRINT MANAGEMENT

TECHNOLOGY YOU CAN TRUST

Print365 enables you to experience all the benefits of Epson's PrecisionCore and Replaceable Ink Pack System (RIPS) technologies, to provide you with the best return on your investment. Epson's technologies create a more sustainable and productive work environment, and by making the switch to our inkjet devices – through Print365 – you'll benefit from a reduced need for user intervention, cut your energy usage by up to 96%¹, and eliminate up to 94%² of your waste.

 **Make the switch to inkjet and see how much smaller your environmental impact will be:**

CHOOSING THE RIGHT PACKAGE

Print365 offers a range of packages designed to suit a variety of businesses. Select the one that is right for you, or ask your reseller about a free-of-charge assessment that will automatically track your print volume and select the optimum package for your business.

All packages are presented with a monthly fee, but to provide your business greater flexibility will be invoiced on a quarterly basis. The advantage is you can carry over your monthly print volume within a calendar quarter. If you exceed your quarterly print volume, there is a low price for extra pages, so it remains cost effective.

ALL YOU CAN PRINT – TOTAL CONTROL

If you have large print requirements, you'll want to know about our All-You-Can-Print service. Designed to give you total freedom to print exactly what you want, when you want, it gives you a virtually unlimited³ printing facility without having to worry about incurring extra costs. With our All-You-Can-Print packages, you simply pay a single, fixed quarterly fee, and all practical limits are lifted – you just press 'go' on print runs of any size, mono or colour, at any time you like. The packages also offer unlimited scanning and copying.

Starting from just €189 per month, our All-You-Can-Print packages give you a worry-free printing period of 36 months. The packages include an Epson WorkForce Pro RIPS (Replaceable Ink Pack System) business A3-inkjet printer, unlimited ink and full on-site service and support.

Better Products
for a Better Future

1. As tested by BLI over two months to April 2015, against a selection of competing machines, as commissioned by Epson. For more information visit www.epson.eu/inkjetsaving
2. As tested by BLI over two months to April 2015, against a selection of competing machines, as commissioned by Epson. For more information visit www.epson.eu/inkjetsaving
3. To prevent abuse, a Fair Use policy applies. This allows a maximum of 300,000 prints over the contract period.
