TM-m30II-SL (511): USB + Ethernet + BT + NES + Lightning + SD

TM-m30II-SL (511): USB + Ethernet + BT + NES + Lightning + SD

Best for modern POS environments that need a compact, connected receipt printer with smart device support.

Advanced connectivity.

Peripherals such as scanners, keypads and scales, can connect directly with the TM-m30II-SL and pass data directly to the tablet device. It also includes enhanced connectivity (USB and Ethernet) and Server Direct Print (SDP) and Cloud (OMS) intelligent functionality. It can also accomodate Epson's DM-D70 colour customer display. 'Sync and Charge' provides power and data over a single cable to Android[1] or iOS devices.

Compact and stylish.

Features a low profile design and a sliding clamp that means virtually all tablet devices can be securely fixed in place. It can also be installed horizontally or vertically to allow more efficient space management. there's even a wall-hanging option.

Easy to use and reliable.

Epson's POS expertise has resulted in unrivalled build quality and refined functionality as each component has been developed with ease of use in mind.
