DLQ-3500IIN

Best for offices that need wide-format 24-pin flatbed printing for multi-part forms and continuous stationery.

In challenging printing conditions, the robust DLQ-3500IIN 24-pin dot matrix printer provides premium performance, allied to reduced energy use. With sturdy casing and reliable dot matrix technology, it's capable of delivering high-quality output even when the environment is dusty or active.

Equally, when time is tight, the DLQ-3500IIN delivers fast printing of up to 550 characters per second (High-Speed-Draft, 10cpi), via a fast and robust 24-pin dot matrix printer with 136 columns. The printer's performance is matched by its cost-effectiveness. Thanks to the efficient and reliable dot matrix technology, and low-cost ribbons, it represents a printing solution that is extremely budget friendly.

An LCD screen also provides valuable user convenience while network capability ensures full integration.

The only 24-pin dot matrix printer on the market with 8 prints in one.[1]
