SureColor SC-T3700DE

SureColor SC-T3700DE

Best for architects, engineers and CAD users who need precise, reliable technical drawings and plans.

High speed and high capacities.

With speeds up to 130 m²/hr, dual roll, including auto take up features and 700ml ink cartridges the SC-T3700DE can deliver high volume print jobs fast without compromising on quality.

Compact footprint - versatile design.

This compact, simple, elegant design integrates all the standard features without fussy bolt on options. Ideal for offices or office corridors.

Ideal for retail.

The SC-T3700DE enables anyone to reload media using the automatic loading feature, reprint files from the self-encrypting 960GB SSD[1] and replenish consumables by following instructions on the user interface.

Detailed and Vibrant prints.

Whether printing large quantities of detailed technical drawings, temporary signage and POP posters for retail and hospitality, the prints are precise and vibrant.
