from anywhere**

Print easily from your smartphone or tablet using the Epson iPrint and Creative Print apps, where you can use your photos to create and print photo books, greetings cards and *more

**Save paper with double-sided •
printing**

Automatically print up to A4 on both sides to reduce paper usage and save money

**Print documents and photos up to •
A3+**

Front-loading paper tray for up to A4, plus rear paper tray for up to A3+

Perfect for photography enthusiasts, the XP-15000 produces high-quality, glossy photos from Epson's smallest A3+ photo printer with Claria Photo HD Inks. It includes printing via Wi-Fi or Ethernet, A4 duplex printing, a 6.1cm LCD screen and two paper trays

Compact yet feature rich} Surprisingly compact, the XP-15000 can print A3+ photos from its small footprint. It's stylish too and looks great from all angles. {bEnhanced inks} Print long-lasting and professional-looking glossy photos with Claria Photo HD Inks. The set of six inks includes grey for superior black and white photos with a smoother tonal gradation, and red for vivid and realistic colours thanks to the wider colour gamut. {bPrint when and where you want} Printing photos and documents on the go is easy; simply download the free Epson iPrint app* to print wirelessly from your smart device. The free Epson Creative Print* app you can use your photos to create and print photo books, greeting cards, collages and more. You can even print by emailing files to the printer from almost anywhere in the world with Epson Email Print*. {bFlexible} Print wirelessly with or without a network using Wi-Fi and Wi-Fi Direct. There is also Ethernet for printing through a wired network. In addition, the auto power on feature activates the printer and automatically opens the output tray when a print job is sent. {bVersatile} The front-loading paper tray can be used for paper up to A4, while the rear paper feed is suitable for up to A3+ including thicker media. You can also print A4 double-sided and on suitable CDs and DVDs
