

EB-FH54

Best for business presentations and classrooms. Full HD 4,100-lumen projector with iProjection split-screen and auto keystone.

KEY FEATURES

- **Bright and fast, meets big and flexible**

Full HD, 4100 lumens brightness projector combined with 3LCD technology provides superior image quality and high engagement with a scalable display size up to 304".

- **Multi-device sharing**

The Epson iProjection app connects and controls up to 4 devices, with a split-screen feature to display 2 image sources, eliminating the need for an extra projector.

- **Portable and versatile design**

Lightweight and compact, this display is perfect for various spaces features a built-in speaker for easy setup.

- **Instant image correction**

Auto Vertical Keystone instantly detects and corrects image distortion as you adjust the height with the foot lever, streamlining setup and saving valuable time.

- **Stream and share connectivity**

Built-in wireless connectivity, Screen mirroring and AirPlay2
