different symbols 780 •

More choice than on competitor products

LabelWorks LW-K400VP (Qwerty Continental & UK Type AC (Adapter

Best for offices and field teams that need a portable, easy-to-use handheld label maker on the go

.Easy text-entry

A bright LCD screen and built-in keyboard makes text entry easy in any lighting conditions. Extra large fonts are available, though text can also be automatically tailored to fit the desired size of label

.Less wastage

Longer tapes of up to nine metres mean a low total cost of ownership, while margins can now be cut to one millimetre, significantly reducing tape wastage

.Faster label-making

Using the built-in manual cutter, the Cut & Print feature prints the next label in a pre-set series when it detects that the user has cut the previous label, saving time. The LW-K400VP also has a built-in internal memory, so previous projects can be quickly recalled

.More choice

The LW-K400VP now offers a stunning 780 different symbols to suit any scenario, while there's a wide range of LK tapes available, including magnetic, heat resistant, glow in the dark, reflective, iron-on, and heat-shrink tube (HST). The LW-K400VP also includes new satin ribbon templates and improved cable flag label designs

The LW-K400VP as part of a package that includes an AC adapter, hard carry case and a soft protective sleeve. It is also available as our standard LW-K400 with an AC adapter, and the LW-K400L, without AC adapter. Batteries not included
