Epson TM-m10 (112A0): BT, Black, PS, UK

TM-m10 (112A0): BT, Black, PS, UK

Best for tablet-based and space-conscious POS systems that need an ultra-compact receipt printer.

Built for easy connectivity with tablets.

By touching an NFC-equipped mobile device or tablet to the TM-m10 printer, it is easy to pair both together to print. ePOS print², the printer's built-in intelligence that communicates with web applications, allows direct printing from ANY mobile device without the need to install or update drivers. It is available for iOS, Android and Windows.

Position anywhere thanks to its sleek, compact and stylish design.

With its sleek, stylish and compact design, the new TM-m10 is ideal for tablet POS applications and fits perfectly into small and medium-sized retail and hospitality environments, helping them to operate more efficiently and productively. With Ethernet, Bluetooth or Wi-Fi interfaces, it can be integrated into virtually any operating environment. By easily swapping just two covers the printer can be placed either horizontally or vertically - therefore top load or front load is possible.

DATASHEET / BROCHURE
