EcoTank Home+ L4266

**Best for creative homes that want vivid colours, sharp lines and duplex
printing with PrecisionCore Technology**

.Say goodbye to cartridges

Hassle-free home printing - the ultra-high capacity ink tanks allow mess-free
refills and the key-lock bottles are designed so only the correct colour can be
.inserted

.Keep on saving

This EcoTank printer saves you up to 90% on printing costs¹ and comes with
up to 3 years' worth of ink in the box². Print up to 14,000 pages in black and
5,200 in colour³ with the included ink, and a replacement set of ink bottles
.delivers the equivalent of up to 79 cartridges worth of ink¹

.Modern flexibility

Easily integrate this printer with your existing home set-up and print from mo-
biles, tablets and laptops⁴. Plus, with Epson Smart Panel app you can control
your printer from your smart device⁴. Print documents and photos, set up,
.monitor and troubleshoot from your phone or tablet

.Packed with features

Featuring a 3.7cm colour LCD screen, automatic double-sided printing, bor-
derless photo printing and print speeds of up to 10.5 pages per minute⁵, you
.can speed through a variety of tasks with ease

Epson L4266

LOGISTICS INFORMATION

1. Based on Epson calculations, the average cost per page saving and the average number of inkjet cartridges required to print the same number of pages as the Epson EcoTank "101" and "103" ink bottles. Comparison between the average yield (A4 prints of ISO/IEC 24711) of EcoTank "101" and "103" bottle series and the genuine consumables (IDC, Hardcopy Peripherals Consumables Tracker, 2020 shipments, published Q1 2021) used within the 25 best-selling consumer A4 inkjet cartridge printers below €100 (exc. tax) in Czech Republic, Hungary, Poland and Turkey (IDC, Quarterly Hardcopy Peripherals Tracker, 2020 shipments, published Q1 2021). Cost per page calculated by dividing the relevant bottle/cartridge sales revenue and the total yield by the unit sales. 2. Based on print volume of 100 A4 pages per month and the lowest yield produced from the included set of inks. 3. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 or 29103. Quoted yields are NOT based on ISO/IEC 24711 or 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set will be lower. 4. Epson Smart Panel and Epson Creative Print apps require a wireless connection. Epson Email Print and Epson Remote Print Driver require an internet connection. For more information, supported languages and devices, please visit www.epsonconnect.eu. 5. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit the Epson website
