
Epson TM-S2000II-MJ (012): 130DPM, 2 pockets

DATASHEET / BROCHURE

TM-S2000II-MJ (012): 130DPM, 2 pockets

Best for banks and financial institutions that need high-speed, accurate cheque and document scanning.

Truly multifunctional.

In addition to its advanced cheque-scanning features, the TM-S2000II-MJ also offers two-sided, 24-bit color ID scanning and an inkjet printer for cashier cheque filling.

Easy to use.

This easy to use and maintain cheque scanner also features, advanced self-diagnostics and an intuitive LCD display that keeps the user informed of the device status at all times, and communicates when interventions are needed.

More than just cheque scanning.

In addition to supporting the traditional financial markets, the TM-S2000II-MJ also serves other niche markets such as restaurant vouchers and pharmacy prescriptions - speeding up processing times and eliminating unnecessary human intervention.

Stylish Design.

Black version fits seamlessly into most environments. Efficient MSR design for improved usability. Compact design - small footprint.
