SureColor S7100

DATASHEET / BROCHURE

SureColor S7100

Best for sign and graphics professionals who need durable, vibrant 64-inch eco-solvent output for indoor and outdoor use.

Perfect for signage printing, the SC-S7100 is designed to help you optimise production and efficiency, while delivering exceptional quality, reliability and ease of use. With a range of advanced features that minimise maintenance, and equipped with 800ml ink packs, it also features a large 4.3-inch touch panel and advanced media handling to streamline operation and maximise efficiency.

KEY FEATURES

- **Larger printhead delivers faster, better prints**

  High print speeds across main media types, improves productivity by up to 28.50%[1]

- **Cut costs and upkeep with efficient ink system[1]**

  Larger 800ml ink packs[1] reduce costs and maintenance requirements, by ensuring longer, uninterrupted print runs with improved sustainability.

- **Enhanced detail and sharper text**

  Advanced text sharpness technology enhances the clarity of smaller print, providing crisp, high-precision output, ideal for signage and graphics.

- **Advanced media handling technology**

  Enhanced tension control and a reinforced media feed roller ensuring consistent, high-quality results.

- **Advanced drying system for faster print handling**

  Eliminate delays and boost productivity with the advanced drying system.
