Choose from front, top, bottom, rear
paper paths

Print Speed Enhancer •

For faster printing of bit images un-
der Windows environment

Easy connectivity •

Ethernet, parallel and USB interfaces
as standard

LQ-2190N

**Best for high-volume environments that need fast 24-pin 136-column
.dot matrix output with network access**

.Reliability and speed

This 24-pin wide carriage printer takes care of big print jobs without a fuss. You can rely on high quality results on a wide range of paper types while the impressive 576 cps (at 12 cpi) print speed is perfect for large volume tasks. This robust device is very dependable and has a print head life of 400 million strokes per wire, plus a mean time between failure of 20,000 power-on hours

.Flexibility

Choice of front, top, bottom and rear paper paths gives you even more control over desk space management. And the addition of a USB interface .means more flexibility in connectivity

.Longer ribbon life

With a ribbon life of around 15 million characters, the ribbon replacement .cycles are longer, which brings down running costs and maintenance time
