SureColor SC-T3100x - (Optional stand) 220V

DATASHEET / BROCHURE

SureColor SC-T3100x - (Optional stand) 220V

Best for architects, engineers and CAD users who need precise, reliable 24-inch technical drawings and plans.

Refillable ink solution.

The SC-T3100x uses a refillable ink solution (140ml bottles) rather than cartridges, for convenience and low running costs. The printer can even be refilled while printing.

Peace of mind.

Unique Nozzle Verification Technology (NVT) helps prevent misprints and reduces downtime.

Ease of use.

A suite of intuitive features, and supporting software tools, such as Epson Print Admin and Epson Print Automate, make this technical printer user-friendly. These include a 4.3-inch colour LCD touch panel and Wi-Fi connectivity. Also, the printer can be easily setup to ensure that you're up and running with a minimum of effort.

Seamless paper change.

Change seamlessly between LFP roll and sheetfeed.

Accuracy and precision.

Print technical, architectural and graphics drawings in great detail, with ease.

Clean design.

White, compact and fits most environments. Boasts the smallest footprint in the Epson T-Series range.

KEY FEATURES

- **Refillable ink solution**
  Kinder to the environment and your wallet
- **Easy to use**
  Highly intuitive interface to get you up and running in no time
- **Easy paper change**
  Switch between rolls and sheets, with ease
