- 108 EcoTank Magenta ink bottle

INK YIELD DATA

Included	* 2,600 Pages	* 5,400 Pages
	* 4,100 photos	* 1,500 photos

Replacement

1. Quoted ink bottle photo yields are extrapolated based on the ISO/IEC 29103 pattern with Epson's methodology printing photos in 10x15cm format, and NOT based on ISO/IEC 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower. For more information visit www.epson.eu/pageyield2. Terms and conditions apply. For details, visit www.epson.eu/printerwarranty3. Mobile printing solutions require a wireless and/or an internet connection to the printer. For a list of Epson Connect enabled printers, compatible devices, apps and ways to connect, visit www.epson.eu/connect4. For test conditions, please visit www.epson.eu/testing
