Epson LQ-2190N

DATASHEET / BROCHURE

LQ-2190N

Best for high-volume environments that need fast 24-pin 136-column dot matrix output with network access.

Reliability and speed.

This 24-pin wide carriage printer takes care of big print jobs without a fuss. You can rely on high quality results on a wide range of paper types while the impressive 576 cps (at 12 cpi) print speed is perfect for large volume tasks. This robust device is very dependable and has a print head life of 400 million strokes per wire, plus a mean time between failure of 20,000 power-on hours.

Flexibility.

Choice of front, top, bottom and rear paper paths gives you even more control over desk space management. And the addition of a USB interface means more flexibility in connectivity.

Longer ribbon life.

With a ribbon life of around 15 million characters, the ribbon replacement cycles are longer, which brings down running costs and maintenance time.

KEY FEATURES

- **Fast, reliable printing**
  Enjoy 24-pin quality up to A3 size and 576 cps
- **Multi-part flexibility**
  Print up to 6-part forms (1 original + 5 copies)
- **Paper handling**
  Choose from front, top, bottom, rear paper paths
- **Print Speed Enhancer**
  For faster printing of bit images under Windows environment
- **Easy connectivity**
  Ethernet, parallel and USB interfaces as standard
