

Epson DFX-9000N

DFX-9000N

Best for data centres and back-office operations that need high-speed, heavy-duty 136-column dot matrix output.

The Epson DFX-9000 is a high print volume printer providing an unprecedented level of speed and reliability for the most demanding business. Its advanced paper handling accommodates a variety of paper types while the standard front and rear push tractors can be switched easily between different types of continuous paper. An optional perforation cutter provides paper finishing capabilities.

KEY FEATURES

- **High-speed output**
Fastest 9-pin heavy duty dot matrix printer in its class
- **Heavy-duty durability**
Handles demanding workloads with 1,550cps print speed
- **Multi-part printing**
Hard working with 133 million lines print volume
- **Low total cost of ownership**
High durability with MTBF of 20,000 power on hours

Prints up to 10 part forms (1 original + 9 copies)
