

Epson DLQ-3500II

DATASHEET / BROCHURE

DLQ-3500II

Best for offices that need wide-format 24-pin flatbed printing for multi-part forms and continuous stationery.

In challenging printing conditions, the robust DLQ-3500II 24-pin dot matrix printer provides premium performance, allied to reduced energy use. With sturdy casing and reliable dot matrix technology, it's capable of delivering high-quality output even when the environment is dusty or active.

Equally, when time is tight, the DLQ-3500II delivers fast printing of up to 550 characters per second (High-Speed-Draft, 10cpi), via a fast and robust 24-pin dot matrix printer with 136 columns. The printer's performance is matched by its cost-effectiveness. Thanks to the efficient and reliable dot matrix technology, and low-cost ribbons, it represents a printing solution that is extremely budget friendly.

An LCD screen also provides valuable user convenience.

The only 24-pin dot matrix printer on the market with 8 prints in one.¹

KEY FEATURES

- **Versatile**

Prints multiple forms (one original and up to seven copies)

- **Fast performance**

Prints up to 550 characters per second with up to 7 copies

- **Minimal intervention**

Automatic paper path change and automatic paper-strength settings

- **Ease of use**

Featuring a new LCD screen

- **Flexible connectivity**

Parallel and USB ports
