

EcoTank Business+ M3170

Best for demanding businesses that need high-volume mono print, copy, scan and fax with low costs.

Reduce your printing costs EcoTank saves you time and money compared to laser printers². With a large refillable ink tank and ink bottles included with purchase, you'll be able to print thousands of pages straight out of the box.

Low cost replacements.

Save up to 90% on printing costs³ with EcoTank's large ink tank and replacement ink bottles. One bottle of EcoTank ink is equivalent to five toners⁴, so you'll refill less and spend less, too.

Easy to use.

With a front facing tank and ink level display, the M3170 is engineered for ease of use. EcoTank ink bottles feature an airflow system, enabling the ink to flow into the refillable tank without the need for squeezing.

Print from almost anywhere Print on the go, with Wi.

Fi Direct and the Epson iPrint App⁵. Using your mobile, laptop or tablet device, you'll be able to send documents to print from almost any location.

Join 100m customers worldwide.

Since Epson started making EcoTanks in 2010, over 100m EcoTanks have been sold worldwide⁶, making Epson the no. 1 ink tank printer in the world⁷. 7 out of 10 ink tank printers sold in the Middle East and Africa are Epson⁷.

KEY FEATURES

- **Reduce your printing costs**
Save up to 90% on printing costs¹ with the refillable ink tank
 - **ADF A4 multifunction mono printer**
High quality print, copy, scan and fax in one machine
 - **Use less energy**
Save up to 96% in power consumption when you switch from a laser printer¹
 - **Fast, business-quality printing with Wi-Fi**
Just add paper for low intervention printing!
- Mobile printing, 20ppm print speeds* and no warm up time

PRODUCT SPECIFICATIONS

TECHNOLOGY

Printing Method	PrecisionCore™ Print Head
Ink Technology	Pigment ink
Printing Resolution	1200 x 2400 DPI

PRINT

EcoTank M3170

WHAT'S IN THE BOX

- X2 ink bottles
- Warranty document
- Main unit
- Power cable

INK COMPATIBILITY

- 110 EcoTank Pigment black ink bottle
- 110S EcoTank Pigment black ink bottle
- XP-5100 / WF-2860DWF / ET-3700 / ET-4750 / L6000 / ET-15000 Series Maintenance Box

INK YIELD DATA

1. Quoted yields are extrapolated based on Epson original method. Quoted yields are NOT based on ISO/IEC 24712. Quoted yields may vary depending on the images you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.2. Based on Epson calculations, average total saving required to print the same number of pages as the average yield of ink bottles included in box within the EcoTank Mono range. Comparison between average yield of EcoTank Mono range and EcoTank "110" bottle and the genuine original consumables sold and used within the best-selling 1-20ppm mono laser printers in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published H2 2019).3. Based on Epson calculations, cost per page saving with reference to the average printing costs for EcoTank "110" large ink bottle series and the genuine consumables used within the 5 best-selling cartridge-based 1-20ppm single-function mono laser printers in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published Q1 2020). Cost per page calculated by dividing the relevant bottle/ cartridge sales revenue and total yield by unit sales in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published H2 2019).4. Based on Epson calculations, average number of toner cartridges required to print the same number of pages as the yield of Epson Mono EcoTank ink bottle. Comparison between average yield (A4 prints of ISO/IEC 19752) of the EcoTank "110" bottle and yield of the genuine consumables (IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published H2 2019) sold and used within the 10 best-selling 1-20ppm cartridge-based mono laser printers in Middle East and Africa (IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published Q1 2020).5. Requires a wireless connection to the internet. For more information, supported languages and devices please visit www.epsonconnect.eu6. Cumulative sales of Epson ink tank printers from 2010 to 2020 based on Epson internal shipment data.7. IDC, Quarterly Hardcopy Peripherals Tracker, 2019 shipments, published H2 2019). USD converted to local currency using FX spot rate from XE.COM as at 08/07/2020.8. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit www.epson.eu/testing
